Professional Summary

Computer Science student at West University of Timișoara building full-stack and AI-powered applications with React, Next.js, TypeScript, Java and Spring Boot. Interested in software engineering roles focused on product development, backend systems and AI-integrated applications.

Technical Skills

Languages: TypeScript, JavaScript, Java, Python, C/C++

Frontend: React, Next.js, React Native, Tailwind CSS, Three.js

Backend: Node.js, Express.js, Spring Boot, REST APIs

Databases/Tools: Supabase, MySQL, MongoDB, Firebase, Git, Docker, Postman, Vercel

Experience

Programming Instructor & Technical Mentor (Contractor, PFA)

2025 – Present

Code Creators SRL

- Delivered project-based programming sessions focused on algorithms, logic and hands-on software development.
- Mentored students in debugging, implementation and computational thinking through practical coding projects.

Projects

AI Multi-Model Workspace

Nov 2025 – Present

Next.js, TypeScript, Supabase, OpenRouter API

- Built a multi-model AI workspace with persistent conversations, memory and external API/tool integration.
- Implemented model routing, repo-aware context and image analysis in a deployed production-style web app.

Cyber Threat Map

Oct 2025 – Present

Electron, React, Java, Spring Boot

- Developed a desktop application for visualizing cyber attack events on an interactive map.
- Built backend logic for log parsing, IP geolocation, attack detection and risk scoring.

AI Resume Analyzer

Aug 2025 – Present

React, TypeScript, Vite, pdf.js

- Built an AI-powered resume analysis app with PDF upload, preview rendering and ATS-style evaluation.
- Added AI-generated summaries, keyword analysis and improvement suggestions.

Education

Bachelor's Degree in Computer Science

2024 – 2027

West University of Timișoara — Faculty of Mathematics and Computer Science

- Haufe Group Hackathon (2025): Built an AI prototype for automated code review.
- IT Fest Hackathon (2026): Built [CrowdCheck](#), a web app for reporting and checking crowd conditions during events.

Certifications & Languages

Cybersecurity Certificate — Cyberllence Inovație SRL / Nextlab.Tech (2024)

Languages: Romanian — Native, English — B2
